

## Assignment Calendar December 3~7

Date	In-Class Work	Homework <i>( work is due the day after it is assigned,          unless otherwise noted )</i>
Monday 12/3	Finish Flight Lab #2  Finish video: <i>Can We Do It?</i>	Write 3 questions for our guest speaker the week Jeff Dixon. He flew in the navy off aircraft carriers and maybe helped you get somewhere on Alaska Airlines. What questions have you had about airplanes? Write 3 of them (or more) down on a piece of paper for class.
Tuesday 12/4 or Wed. 12/5	"Lift" Beginning to understand how a plane gets off the ground.  Hands on lab... how does it work?	Take your lab home along with your supplies and share it with one of your parents. Have them sign the lab paper after showing them different ways we learned about "lift".
Thurs. 12/6	Captain Jeff Dixon Alaska Airlines Pilot	
Friday 12/7	Wrap up "Lift"	Enjoy the weekend... 2 more weeks till Christmas!
