We are so pleased and honored to be your new textbook store! Welcome!!

We have provided the textbooks for several Eastside schools over the last ten years, and know you will be pleased with our store and service. We know that change can often be difficult. Please know that we will do everything we can to make this transition smooth and easy for you.

Our store is located at 990 102<sup>nd</sup> Ave NE in Bellevue (near Bellevue Square). We are open 9 – 7 weekdays, 10 – 6 Saturday, and 12 – 5 on Sunday. We will have a list of your books at our book department, and all our book staff can help.

Our textbook buyback is a bit different than what you are used to. Our buyback period is over a month long. We pay up to 55% of the new price, and should you choose to take a store credit you will receive 10% above whatever that price is. We have access to a national computer base which helps us determine which books can be bought back. If another of our schools is using the book, we may well end up buying it back even if your school will not be using it again.

We offer online shopping, and will ship your books directly to your home. (The shipping is paid by you.)

We will be glad to answer any questions or concerns that you have at any time. Your school will let you know more details as well.

We look so forward to meeting all of you and helping you with your textbooks.

Thank you
