

You're 6th Graders Now!

Dear Parents and Students,

I grew up in a Christian home with a dad who is a pastor, currently at Mars Hill Church, and a mom who was a teacher. My parents are the ones who inspired my passion and heart for teaching. My mom taught middle school math until she was diagnosed with, and passed away from, cancer. She taught me what it takes to be an amazing Godly woman as well as an effective teacher. Besides teaching, I enjoy being active in any way possible, from just running outside to snowboarding at Stevens Pass. There's just a peek into the window of who I am, and I am looking forward to getting to know you all better.

I want to welcome you to 6th grade at Bellevue Christian School. It is an honor and privilege to be your teacher and I am looking forward to a wonderful year of learning, growing, and fun. Parents, our Back to School Night has already been scheduled for **Tuesday, September 13th**, so please put this on your calendar .

During the course of the school year, we will be practicing our ABCs in a different way. The ABCs I use in my classroom are; Always try, Be respectful, and Cooperate with others. God calls us to love and respect one another and using our ABC's allows us to demonstrate this call to one another.

It is one of my main goals this year to prepare you for Junior High. I have designed many activities that require students to be well organized and responsible for meeting assigned due dates. You should begin to consider a nightly study schedule including approximately one hour of homework a night with no TV, phone calls, or other distractions. (with exceptions for Wednesday night church attendance and weekend family time)

I am eager to get to know all of you and am praying you. Have a wonderful, fun-filled summer.

God Bless,

Ms. Jenny Clem
