Summer 2011

Welcome 5th and 6th graders!

We have a fantastic year ahead of us! I feel blessed and privileged that I get to be your teacher this year. We have many exciting activities planned- some old and some new.

A little about me: I have been teaching a variety of ages and subjects since 1992. This is my 3rd year at Bellevue Christian. I have two daughters, Victoria (who is in the 4th grade) and Chloe who will be starting kindergarten with Mrs. Loven. Last year I taught reading at 3 Points and at Mack and before that 6th grade here at Mack.

Please look over the supply list on the following page. Staying organized is very important both to help prepare for Junior High and to make sure we get assignments in on time. Students will be expected to fill out their planners daily and will have weekly assignments in all academic areas. I will be sending home most of the homework assignments on Monday so that you can plan your week accordingly. Homework assignments (unless otherwise instructed) will be due on Fridays. You can bring all of your supplies on the first day or on the visiting day before school starts.

Our Classroom Bible verse for the year will be Psalm 119:105 "Thy word is a lamp unto my feet and a light for my path." I hope all of you have a wonderful, restful summer!

In Christ,

Mrs. Vancour
