

BC\$ BUCK\$ - FAMILY REFERRAL PROGRAM

Experience has shown that word-of-mouth is one of the best methods of connecting prospective families with BCS. We want to reward currently enrolled BCS families who choose to play an active role in supporting this important mission.

Program Description

Currently enrolled BCS families will receive a \$1000 tuition credit for every new family that enrolls a K-12 student for the entire school year.

Program Details

- The \$1000 credit applies toward tuition only.
- New families **must** complete the New Family Referral section on their BCS enrollment **application** and stay enrolled for the entire school year.
- The Accounting Department will contact referring families by December to inquire as to how they would like their \$1000 credit applied. Referring families can choose between accepting the full \$1,000 credit, splitting the credit with the new family or giving the entire credit to the new family.
- There is no limit to the amount of credits that a currently enrolled BCS family can earn for referring new families. If the total amount of credits should exceed their current tuition, the excess credit will be applied toward next year's tuition!
 - Enrollment at second semester qualifies for a \$500 tuition credit
 - Credits will be applied on the January tuition statement.
 - The New Family Referral section of the online application must be completed at the time the application is completed in order for the referral to be valid. No exceptions.

Preschool Program Discount

Families who are currently enrolled in a BCS Preschool program will receive a \$1,000 credit off their tuition for attending BCS Full Day Kindergarten. A \$600 tuition credit will be applied for attending BCS Half Day Kindergarten. The credit applies toward tuition only and will be applied monthly.

It is our hope that this program will encourage BCS families to seek out family, friends, neighbors and associates who are a good fit for our school and are exploring school options for their children.
