

Dear Three Points Parents,

Words of Wisdom The Psalms contain so much wisdom; while reading them in different circumstances of life, you constantly learn new insights and assurances about God's provision. For example, Psalm 62:6 says, "Trust in him at all times, O people; pour out your hearts to him, for God is our refuge." Speaking of wisdom, recently a Three Points student kindly gave me a Mariners shirt for our new grandson Xander, with this note attached: "Smell him every two hours, and teach him about God." This 4th grader knows both the practical and profound things of life! ☺

PLC Groups Our teachers, specialists, and therapists have been working in grade level groups on several exciting goals! Below are listed what each group is currently focusing on:

K-2 Assessing how students are learning sight words in reading, and involving parents at home

3-4 Sharing approaches for building math fluency (speed and accuracy), and helping parents to practice with students

5-6 Developing an action plan and lessons that build toward each student being able to express his/her own statement of faith

Calendar Reminders: November 10-11 are non-student days, due to the Teacher Workday (for Trimester 1 report cards) and Veterans Day holiday. Enjoy your time with family!

Chapel Next Thursday Matt Borst, Pastor of Bellevue Christian Reformed Church, will be speaking next week, plus our KG students will be making a special presentation. Thanks to Ali McKerlich for her moving message at chapel last week. Ali's two main points were: 1/ Invest time in your most important relationship – with God; 2/ Miracles are still happening – and her recovery is one of them!

After School Opportunities for Next Trimester New classes are starting up soon, and will run during the weeks of December 5 to March 5:
Mixed Media Mania and Piano Club (Mon)
Homework Club and Musical (Tue)
Creative Play/Lego (Wed)
Art, Chess Club, and Musical (Thu)
Ceramics/Glass Art (Fri)

Blessing "Restore us, O God: make your face shine upon us, that we may be saved." Psalm 80:3

Thanks to all those who volunteer and serve our students, staff, and school!

In Christ,

Steve
