

THREE POINTS STUDENT ILLNESS POLICY

FEVER:

If your child has a fever at home, be sure to keep them home from school for 24 hours AFTER they are fever free without any fever reducing medicine.

If your child has a fever at school, our office staff will call you to come pick up your child to go home. They need to remain at home until they are fever free for 24 hours without any fever reducing medicine.

VOMITING OR DIAHRREA:

If your child vomits at home the night before or morning of a school day, you need to keep your student home for that day, unless you are certain the cause was not due to illness of any kind.

If your child vomits at school we will call you to pick them up right away.

UNDEFINED ILLNESS:

If your child is complaining of feeling ill, (stomach ache, headache, chills, lack of appetite etc), we request that you keep your student home.

If a student complains of feeling ill or behaves ill the teacher will send the student to the office. The office will take their temperature. If a fever is over 99.8 we will call the parents to take them home. If there is no fever, or a very low-grade fever we will talk with the student and assess if going back to class is appropriate or if it is best to go home.

RASHES:

If your child has a rash that you do not know the cause of please keep your student at home until the rash is completely gone, or you have a Dr. verify that the rash is not contagious.

If a student has a rash at school and we have not received a Dr's verification that the rash is not contagious, we will call the parents to come take them home.

BUMP/INJURY TO HEAD, NECK OR BACK:

If a student receives a bump or injury to their head, neck or back that is not easily relieved with an ice pack, we will call the parents to come pick up their student and recommend they be taken to a Dr.

CONTAGIOUS ILLNESS:

If we have any suspicion of a contagious condition such as chicken pox, strep throat, roseolla, lice, etc, we will call the parents to take the child home.

UPSET CHILD:

If a student is upset and not easily consoled we will contact the parents.
