

Tuition Assistance Program with Scrip (TAPS)
Credit Card Payment Agreement

For your convenience, MASTERCARD, VISA and DISCOVER credit cards are now accepted as payment for Scrip purchases. Since there are merchant fees associated with offering this payment option, a 3% Convenience Fee will be charged.

Please read and sign the agreement below if you would like to use this payment option:

I, _____, understand that a Convenience Fee will be added to the total scrip purchase amount according to the fee schedule as stated above. I also give permission for the Scrip volunteers to process the charges with the credit card information given below. I understand that this information will be securely kept on file for future scrip purchases. I must authorize credit card charges for future orders with my initials on the order form. I will notify the Scrip coordinators of any changes to the credit card information. If my credit card is declined, payment by check or cash must be received in order to pick up the filled scrip order.
