

FORWARD IN FAITH 2020

THE SIGNATURE EVENT

FAQs

Since it's called the Signature Event, does this mean there is no auction?

The name may have changed but the Forward in Faith 2020 Signature Event will still include a silent and live auction. The name change allows the focus to expand past an auction and into a multi-faceted experience!

Where do we park?

Self-parking is available and free (on weekends). It is located at 600 Bellevue Way NE. If you prefer to valet, it is \$12.00 for up to three hours and \$18.00 for three to seven hours. Valet parking will not be hosted.

When can we register?

Registration will open online in early January for individual tickets and table purchases. Please purchase early as this event is set to sell out!

Can we see a preview of what will be available at the auction?

Check out the event site frequently as it will be updated with package information and details on items that will be featured in the live auction.

If you have any additional questions, please do not hesitate to email the event team at events@bellevuechristian.org or give a call at

425-454-4402.

Thanks!
