

# welcome

“...since the day I heard about you, I have not stopped praying for you. I continually ask God to fill you with the knowledge of his will through all the wisdom and understanding that the Spirit gives, so that you may live a life worthy of the Lord and please him in every way...” Colossians 1:9-10

I truly am excited to come alongside you this school year as you experience new things - like going on the floating classroom at Island-Wood or building relationships with those who need it most or bringing US history to life through simulations. Whatever new adventures come you will grow in your relationship with Jesus and leave 5th grade with more wisdom.

For the first day you will need to bring something that has showed a fulfilled promise. This is your first assignment so don't forget it! You'll find out more on the first day. Until then, enjoy the rest of your summer!
