WITH PURPOSE

Mack Volunteer Sign-Ups 2019-2020

Having a flourishing school community takes all of us! Participating in this community gives our students and families a much richer school experience, and to make this work, we all need to do our part. Please let us know which activities you are interested in volunteering for. See “PTF Events & Volunteer Opportunities” for more information on the items below. Turn in this form to the school office. You will be contacted about the specifics of volunteer opportunities you’ve expressed interest in.
