

Welcome to Mrs. Foisset's 3rd Gr.

I am so thrilled you are joining me for our 2019-20 school year year!!

About Me and Us:

I'm in my 4th year at BCS and my 31st year of teaching. I have lived in many different parts of the USA and just LOVE it here. Together, we will be learning our multiplication facts, go on a journey to the solar system, explore China, become experts in cursive and so much more. What I enjoy most is our yearly trek into the past on the Oregon Trail to see how the west was settled by pioneers. I know you will agree that 3rd grade is an amazing adventure in which we will learn to grow and stick close to Jesus. Our theme this year will be "Stick with Jesus." and through the discovery of his amazing creation, we will learn to stick with Him no matter what!! I cannot wait to get to know you!!! Come ready to have an exciting year!!!

Theme Verse:

Proverbs 18:24

There is a friend
that sticks closer
than a brother.

Please Bring with you:

a snapshot of
you & your family
to keep at school
with you. (can be
a printed copy)

Like a Cactus we will:

- Stick together
- Stick to it
- Stick up for others
- Stick to what's right
- Stick our necks out to try new things
- Stick to God's word
- STICK WITH JESUS
