## WITH PURPOSE

Viking Parent Group (VPG) is the parent group for all students at the Clyde Hill Campus, 7th thru 12th grade. The purpose of VPG is to be in service to the school, to provide an avenue of communication and to build community. We organize various events throughout the year for which we will need volunteers to help as well as items donated. VPG will communicate these opportunities via email with links to a sign-up document that will be shared with the whole community.

VPG has meetings twice a month and a social lunch once a month. The Junior/Senior High School Principal, Blake DeYoung attends one meeting a month. All parents/guardians are welcome to attend any meeting. Please feel free to come as your schedule allows whether that is once a year or to every meeting, as we are always glad to welcome you!
