SAS Programs Commitment. Parents/guardians will agree and affirm during online enrollment or reenrollment:

- Affirm understanding that the SAS programs are not a quick solution to the learning difficulty of the student.
- Affirm understanding of the philosophy and goals of the SAS programs for the student.
- Agree that continuing with Educational Therapy or other SAS programs is a commitment to the education of the student.
- Agree that if participation in Educational Therapy or other SAS programs is a condition of the student's enrollment at Bellevue Christian School, the student must remain enrolled in the identified SAS program in order to be an enrolled student at the school. (If in doubt whether your student's SAS program enrollment is a condition of enrollment at Bellevue Christian School, contact the SAS director to confirm.)
- Affirm understanding that for the student to reach the goals described in the identified SAS program it may take a minimum of two to three years or more, depending on the learning needs of the student.
- Affirm understanding that the student will receive testing at the end of the school year and that the student's therapist, tutor, or study hall teacher, and/or the SAS director will communicate the test results to parent/guardian, at which time an updated academic plan will be determined for the following school year.
- Affirm agreement that responsibility to pay tuition is not based on the student's academic success.

Separation from School; Payment Policy. BCS makes employment commitments to SAS program providers and orders supplies based on the student's participation in the programs. Unless modified or cancelled in writing by the SAS office after end-of-year or end-of-semester testing, if a student withdraws from an SAS program after they have enrolled in it, **program tuition is due as follows:**

Date Withdrawn	Tuition Responsibility
May 1, 2026, to end of school year	All tuition installments beginning May 1, 2026, and each consecutive month though the month the student withdraws. No proration of any month.
Date Withdrawn	Tuition —2nd Semester Start of Contract
January 1, 2027, to end of school year	Tuition responsibility is for all 5 months of the 2nd semester; no proration of month.

Standards of Conduct and Tuition Responsibility. Student and parents or guardians will be required to affirm understanding of, and agreement with, the parent/student handbook in its current version as found on the BCS website. If student leaves or is asked to leave BCS or the SAS program for reasons including but not limited to behavioral, academic, or social, or due to the conduct of the parent or guardian, or due to non-payment of tuition for whatever reason, parent/guardian will remain responsible for the SAS tuition subject to the above withdrawal policy. (Official transcripts and student records are provided only when tuition responsibility is paid.)

Force Majeure. In the event of school closure beyond the school's control, the School's duties and obligations will be postponed until such time as the School, in its sole discretion, may safely reopen and/or comply with its duties and obligations.
